Hi Patrick & Mendez,

Thank you for responding to this ticket as well as letting us all know about the safety concerns at this area.

Victor & Mendez, please let us know if a HOPE team can respond as it sounds like it would be more appropriate for them to visit for future engagements.

Thank you all!

Hi Patrick

This location definitely has some visible risk factors and safety concerns. I recommend we have a HOPE team follow up? Thank you @Patrick Mooney <[pmooney@lahsa.org](mailto:pmooney@lahsa.org)> for addressing this and looping in @Victor Hinderliter <[vhinderliter@lahsa.org](mailto:vhinderliter@lahsa.org)> @Liz Oh <[Liz0@ePath.org](mailto:Liz0@ePath.org)> @Christopher Vargas <[ChristopherV@ePath.org](mailto:ChristopherV@ePath.org)> . Team please advise if we can get HOPE to follow up?

Respectfully

Hi all,

I thought it would be pertinent to include everyone here in an email regarding LA-HOP request #6489 in the Pico Union area at 1432 Oak Street.

The request from 211LA noted a previous shooting at the site.

Judith and I arrived this morning to respond to the request and found a multitude of concerns. Needles were very abundant at the site, we had an individual watching us while we were there, weapons were visible along tents, and some younger individuals ran away when both outreach workers approached.

Best,

Patrick Mooney
